CNTA to Hold Oyster Roast Fundraiser in October

The Citizens for Nuclear Technology Awareness (CNTA) Young Professionals Committee will be hosting an Oyster Roast & Low Country Boil event as a fundraiser for the organization.

The public is welcome to attend the event Saturday, October 5, 2019, 6:30 p.m., at the Palmetto Golf Club. Tickets are \$30/person (includes first drink) and can be purchased at cntaware.org. The deadline to RSVP is September 27.

The event will include live music by Keith Gregory, raffles, and roasted oysters and low country boil from JC's Seafood in Aiken. Funds raised from the event support CNTA's outreach to young professionals, including free membership for young professionals and events like the Tap Into Nuclear series.

Event sponsors include Savannah River Remediation as the primary sponsor, Jason Crane of Edward Jones, Savannah River Nuclear Solutions, Centerra, Emerson ASCO, Charlie & Lyddie Hansen, Honeywell, SRS Community Reuse Organization, and Savannah River Ecology Lab.

CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues. For further information, call CNTA at 803-649-3456 or e-mail at cnta@bellsouth.net.
