GOLF TOURNAMENT REVIEW By Clint Wolfe

A full field of CNTA supporters teed off Friday, May 11 in the 11th annual CNTA golf tournament at Houndslake Country Club (HLCC). We know it was a full field because we used every golf cart in the HLCC cart barn. One hundred and twenty

four golfers, twenty four CNTA volunteers and the HLCC staff all did their respective parts to make the day a huge success. Our golf committee

Second Place Winners—Darren Gale, Mark Morgan, Kevin Butterfield and Gary Hazelwood

chaired by Ron Schroder did their usual excellent job as the prizes continued to impress participants, many of whom left the premises with loot worth more than the entry fee and

that's not counting the value of the golf,

the cart fee and lunch. Karen performed her "major domo" role beautifully and I was in charge

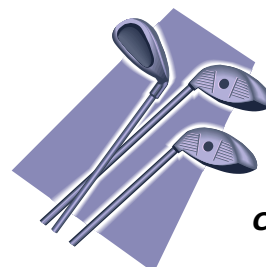

of the weather.

The winning foursome was composed of Greg White, Jody Waddell, Craig Junio and Dave Hepner. These folks hailed from Savannah, GA, Oak Ridge, TN, Las Vegas, NV, and New Ellenton, SC, respectively. It looks like a winning effort depends on effective recruiting. Three other teams also won prizes. Rick

McLeod won the grand prize of a week's stay in a condo at the beach. Several other grand prizes were awarded, one of which went to a visitor from Canada. I guess we are not only drawing participants from all over the US, but now we have gone international.

Tim McKinsey and Brad Swanson were the successful bidders on our golf club and dinner auctions. Tim got Jonathan Byrd's wedge and a \$50 gift card for Travinia's and Brad got another famous golfer's driver and a \$50 golf card for Travinia's.
