20th Annual CNTA Charity Golf Tournament a Great Success

Citizens for Nuclear Technology Awareness (CNTA) held their 20th Annual CNTA Charity Golf Tournament on May 6, 2022, at Houndslake Country Club in Aiken, SC.

Executive Director of CNTA, Jim Marra, said the event was a great success.

“We had 26 teams participate in a fantastic day of golf,” Marra said. “This tournament is one of CNTA’s most important fundraisers and is a fun, competitive event for participants. Our net proceeds were over \$20,000, and will be help CNTA promote and educate the public on nuclear technology.”

The winning contest participants and their teams include:

- First Low Net – Savannah Reiver Ecology Laboratory
- Second Low Net – Holli’s Heroes
- Third Low Net – Southern Nuclear, Plant Vogtle
- Low Gross – BWXT Team 2

Marra added that CNTA was greatly appreciative of the volunteers and donors who helped make this year’s golf tournament a tremendous success. “CNTA exists as a grassroots organization, and events like these would be impossible without our community’s support.”

This event would not be possible without the support of our sponsors. Thanks to SRNS, Model Performance Group, BWXT, North Wind Group, and Applied Research Center for being top sponsors. Thanks also to our many hole sponsors, raffle prize sponsors, volunteers, and donors. More information on the tournament can be found at: <https://cntaware.org/annual-golf-tournament/>

Plans are already underway for the 21st Annual CNTA Charity Golf Tournament. It will be held at Houndslake Country Club in Aiken, SC, on May 5, 2023. Details and team sign-up will be available in February.

CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues.
