CNTA to Hold Oyster Roast Fundraiser in October

Citizens for Nuclear Technology Awareness (CNTA) will be hosting its annual Oyster Roast & Low Country Boil event as a fundraiser for the group's Young Professional Committee.

The public is invited to attend the event Saturday, October 15, 2022, 6:30 p.m., at the Palmetto Golf Club. Tickets are \$50/person (includes two drink tickets) and can be purchased at cntaware.org.

The event will include live music by Keith Gregory, raffles, and roasted oysters and low country boil from JC's Seafood in Aiken. Funds raised from the event support CNTA's outreach to young professionals, including free membership for members under 40 and events like the Tap Into Nuclear series.

Savannah River Mission Completion is the platinum sponsor for this event. Savannah River Nuclear Solutions and Southern Nuclear are gold sponsors. Silver sponsors are Applied Research Center, Globalpundits, Huntington Ingalls Industries, and SRS Community Reuse Organization. Bronze sponsors include Merrick, Savannah River Ecology Lab, Parvarti Consulting & Government Services, Centerra, and Security Federal Bank.

CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues. For further information, call CNTA at 803-649-3456 or e-mail at cnta@bellsouth.net.
