CNTA Seeks 2023 Robert Maher Memorial Scholarship Applicants

Citizens for Nuclear Technology Awareness (CNTA) is seeking applicants for the Robert Maher Memorial Scholarship.

The \$5,000 scholarship is sponsored by Savannah River Mission Completion (SRMC). SRMC is the liquid waste contractor for the U.S. Department of Energy at the Savannah River Site (SRS).

This scholarship will be awarded to a Junior or Senior at a college or university in South Carolina or Georgia who demonstrates an outstanding academic achievement in nuclear science/engineering or a directly related field, such as chemical engineering, mechanical engineering, environmental science, materials science, etc., with applications to the nuclear field.

The application is available online at: <https://cntaware.org/maher-memorial-scholarship>.

The deadline is July 1, 2023.

The Robert Maher Memorial Scholarship is a joint project of CNTA and SRMC. Maher, Vice President and General Manager for Strategic Mission Development at SRS, passed away in 2002 after a 48-year career at the Site. A visionary with a broad view of the Site's potential, Maher helped shape SRS.

The annual scholarship was established in Maher's memory to support students pursuing science and engineering degrees in preparation for careers in the nuclear field.

CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues. For further information, call CNTA at 803-649-3456 or e-mail cnta@bellsouth.net.
