### **CNTA's Up & Atom (September 11<sup>th</sup>) to Feature President & CEO of Savannah River Nuclear Solutions**

Citizens for Nuclear Technology Awareness (CNTA) will host its next Up & Atom breakfast on September 11, 2025. The speaker will be Dr. Jeffrey Griffin, President & CEO of Savannah River Nuclear Solutions (SRNS). The topic will be "Building on a Legacy; Preparing for the Future."

Dr. Jeffrey (Jeff) C. Griffin is the President and Chief Executive Officer (CEO) of SRNS, responsible to the Department of Energy (DOE) for safe, effective and efficient management and operations of the Savannah River Site (SRS). SRS is one of DOE's largest production sites, performing activities ranging from environmental cleanup and protection, to nuclear materials storage and disposition, including operation of the only U.S. tritium plant and design and construction of the Savannah River Plutonium Processing Facility. His responsibilities include providing vision, leadership, mission growth, technological advancement, and a performance-based culture of safety, security and operational excellence at the Site.

Jeff has more than 30 years in leading multimillion-dollar research and development programs, nuclear operations support, and technology development initiatives in a highly regulated environment.

He holds a BS in Chemistry from Georgia Southern University and a PhD in Nuclear Chemistry from Georgia Institute of Technology.

Up and Atom breakfasts are sponsored by CNTA to provide nuclear-related information to the organization's members and the community. All members of the community are welcome to attend this event.

This breakfast meeting will be held at 7:30 a.m., Newberry Hall, in Aiken. Reservations are required; the cost of the breakfast is \$20 per person.

To make reservations, email [office@cntaware.org](mailto:office@cntaware.org), or pay online in advance at <https://cntaware.org/events/>.

*CNTA is an Aiken-based charitable educational organization dedicated to providing factual information about nuclear topics and educating the public on nuclear issues. For further information, call CNTA at 803-649-3456 or e-mail at [cnta@bellsouth.net](mailto:cnta@bellsouth.net).*
