

## .....IT'S TIME FOR GOLF...a sign that SPRING is on its way!

We are making plans for the **24<sup>th</sup> Annual CNTA Golf Tournament**. The tournament will be held on Friday, May 8, 2026 at Houndslake Country Club in Aiken, SC. This will be a Captain's Choice tournament with a shotgun start at 8:30am. A post-play banquet and award ceremony will be held.

With all the nuclear related activities being performed in our surrounding community, it is more important than ever for CNTA to stay active in promoting and educating the public on nuclear technologies. CNTA plays an important role in communicating the need for current and future nuclear missions in the Southeast. The tournament means a great deal to CNTA as it is one of our most important fundraisers of the year. We are planning, as always, to have a spectacular golf outing this year, and about one hundred twenty players are expected to participate in the one-day event.
